basis policy relation to the exchange and export of such data; (c) that the subcommittee itself study the control of export material in prepublication stage. These recommendations will be up to the standing committee. Justice came out against them and State for them. Defense and Treasury are on the fence. As long as this impasse continues, Commerce's position is secure and exportation will be limited and consequently our acquisition of Soviet documents may dry up. It is believed that Park Armstrong is preparing a briefing memorandum for Mr. Acheson who may bring the matter up at the NSC meeting. O/SI will talk to [] in the hope that he may brief Secretary Marshall.
